Manufacturing Matters  
Information Session  
Thursday, July 9th  
10am at Ivy Tech Richmond – McDaniel Hall  
2356 Chester Blvd. (I-70 & US 27)  
or  
3pm at Ivy Tech Connersville Campus  
717 West 21st St.

Manufacturing Matters is a 10 week training program where you'll learn about manufacturing processes, equipment, safety, leadership, quality, and today's latest technologies. You'll also have a chance to brush up on interviewing skills and get help writing a better resume. Go to [www.manufacturingmatters.info](http://www.manufacturingmatters.info) or call 765-444-3188 for more information.
