

## **MAYOR'S NIGHT OUT AT PARK RESTAURANT JANUARY 25**

**Rushville, Ind. – January 19, 2016** – Mayor Mike Pavey invites the community to join him and the City's department heads at his inaugural Mayor's Night Out on Monday, January 25 from 6:00 – 7:30 p.m. at the Park Restaurant, 1400 Main Street in Rushville.

“Our first Mayor's Night Out event is an exciting opportunity to share progress updates with our residents. In addition, we want to answer their questions and hear about any concerns and suggestions they may have for us. The evening is all about two-way communications,” Pavey said.

Joining the Mayor at the event will be Police Chief Craig Tucker, Fire Chief Chuck Jenkins, Street Commissioner Jemmy Miller and Parks Director Aaron Gurley. Following the Mayor's remarks, each department head will spend a few minutes sharing information on his respective department's activities. Residents then will be encouraged to ask questions, make suggestions for areas of improvement and share any issues they are experiencing.

For more complex issues that cannot be addressed and resolved Monday night, forms will be available to capture residents' contact information and details of their issues to allow the Mayor or appropriate department head to respond back in the days following the Mayor's Night Out.

“Our goal is to make this event a one-stop-shopping type experience for our residents to learn more about what's happening in their community and have issues resolved on the spot,” Pavey said.
