Development Standards Variance Criteria

The Rushville Zoning Ordinance establishes specific design criteria that must be met in order for a variance to be approved. Please answer each question below and explain your answers (attach additional pages as necessary).

Will the variance provide safe conditions that will not be injurious to the public health, safety, morals, and general welfare of the community?

YES

NO: _____

Will the use and value of the area adjacent to the property included in the variance not be affected in a substantially adverse manner?

YES NO: _____

Will the strict application of the terms of this Ordinance result in a practical difficulty in the use of the property? This situation shall not be self-imposed, nor be based on a perceived reduction of, or restriction on, economic gain.

YES NO: _____
