UNFINISHED BUSINESS:

1. **CGS Contract** – Newhouse is working on insurance with Kevin Kreckler. The cost will be approximately $2,500.00

2. **Chicken Zoning** – Councilman Smith has done some research. He has spoken with Pendleton. They currently have 1 resident that has gone through the process required to have chickens in town. This includes a variance from the BZA. Pendleton used Bloomington’s ordinance as a guide, but did not codified. Smith said this is doable if it is enforced properly. It would have to be air tight with a variance required. Mayor Pavey said it is his fear that we would become the “chicken police”. Newhouse said we would have to have an ordinance. Smith asked Council how they would like to proceed. Conner made a motion to table and asked Councilman Smith to contact someone from Bloomington for more information and possible issues that they have encountered. He said this would give the Council members a chance to review the presentation if they had not already seen it. Cameron seconded the motion. Motion carried.

NEW BUSINESS:

Newhouse will revise the ordinance and it will be signed at the next meeting.
