He said the survey regarding the dog park were overwhelming to place the dog park at the Carol Jenkins Park. It will probably be placed in the southwest corner. He said they are looking into a key fob system. The fence should be delivered in about 2 weeks and we should be ready to open in 4-5 weeks. Mayor Pavey said there will be a lot of movement in that park. A lot of dirt will begin moving. They will be working in the east end throughout the summer.

Animal — Bridges said he did not think we had officially amended the dog tag ordinance. Newhouse will prepare the document.

We still have to go through a PUD. Cameron moved to approve Resolution 2018-7. Smith seconded the motion. Motion carried.

3. **Executed Purchase Agreement (Property) Apartments Joe Peacock – Completed 3/2/18** – Russell Brown informed Council that an agreement with CFH Enterprises was completed on March 2, 2018. The agreement is for 4 acres at $18,500.00 per acre. There is a design and plan for the 4 acres. We are looking at a closing date of May 1st. There is also an option for 1.8 acres immediately south of the 4 acres at $18,500 per acre.

4. **Ordinance 2018-7 Rushville Villas PUD (APC Resolution 2018-1 – 18 PUD-01)** – This is for a single family development. It sets the floor for new development. This does not include the previous 4 acres. Cameron moved to approve Ordinance 2018-7. Conner seconded the motion. Motion carried.

7. **Historic Board Neighborhood District-Zoning Ordinance District Discussion** – Shelly Wakefield said there has been discussion in regard to the realignment of the Historic Board. This would allow us to take into account smaller lots and keep with our Comprehensive Plan. We have discovered there are some things lacking and needs to be on its own. There have been some complaints of the expansiveness of the district. This would cater more to the neighborhood and our definition of what works. Wakefield said we need to get the proper ordinance in place. She said we are establishing criteria for spot historic preservation. Bridges made a motion to move forward with the Historic Board Neighborhood District Zoning Ordinance. Cameron seconded the motion. Motion carried.

8. **Potential 911 Board Discussion** – Ron Jarman said he has had conversation with the Mayor regarding a potential joint 911 board. It would consist of a 6 member board similar to the fiber board. There would be 3 members from the County and 3 members from the City. This forces the City and County to work together. It gives
us an opportunity to keep things local. Currently the State ordinance decides how money is divided. This would give us a little more leeway locally. If the County and City don’t agree then we would go by the State ordinance. We would need to have our ordinance in place before June 30th. Jarman said he is willing to work with the attorneys to get something to bring before the City and County for approval. Cameron made a motion to move forward to get something in place before June 30th. Smith seconded the motion. Motion carried.

**CLAIMS APPROVAL**: Cameron moved to approve the claims as presented. Bridges seconded the motion. Motion carried.

**ITEMS NOT KNOWN IN ADVANCE**: Blue Ribbon Lighting – Cameron recommended to go with the option of 2 50 watt LED lights. He said the 1 light in the middle did not seem to work. Council agreed this was the best option. Pavey will order the lights to be installed.

**ADJOURN**: There was no further business to come before Council; Conner moved to adjourn. Smith seconded the motion. The meeting adjourned at 7:45 p.m.
